

# Classroom News

Class Name: Wallingford

Term: Term 1 2023-2024

Topic: Ourselves

## What we have been doing this term:

Wonderful Wallingford class have made a fantastic start to the 2023/24 school year with 6 out of 8 members coming up to Post-16 from Love Lane. They have totally smashed it with how well they have settled in, they have adjusted and matured in to year 12. Older class mates have been the best at showing newcomers the lay of the land here.

Wallingford class have worked exceptionally hard on their teamwork and communication, talking about and sharing what makes us happy or worried and who can help us if those feelings are over whelming.

Our PSHE sessions this term have revisited how to keep ourselves safe at home, when we are out in the community around strangers and which strangers might be safer if we need help. We have talked about how each of the emergency services help people and how to make an emergency phone call if we need to.

This half term we have been practicing making breakfast foods such as scrambled egg on toast, pancakes and muesli biscuits. Each week we research the recipe and make a shopping list to take to Tesco so that we can buy what we need. We have also enjoyed eating breakfast on a Friday afternoon!

A highlight of the week for most is PE on Friday morning with Cricket Chris from the Berkshire Cricket Foundation. There is some fantastic throwing and catching, and some very competitive matches!

Have a great half term –

*Emma, Sandra, Jessie, Michaela & Laura*
