Class Name: Plympton Term: Term 2 2023-2024

## What we have been doing this term:

What a fun filled term and action packed build up to Christmas!

We have had the opportunity to access the Growing 2gether site on a Monday and the students have worked hard at clearing our polytunnel of weeds and old, leftover fruit and vegetables ready for the Spring.

In addition to this, members of the class have continued to go shopping for cooking ingredients. There have been trips to various different supermarkets in order for the students to understand different layouts in shops.

Some of us have taken part in some travel training around the local area to build up our understanding of risks and develop confidence. As well as this, some of us have been working hard in our functional skills lessons to understand train timetables and make phone calls to nearby coffee shops and fast food outlets.

We have spent some time counting the trains as they go past and understanding the difference between various trains, such as freight trains and GWR passenger trains. Lots of fun!

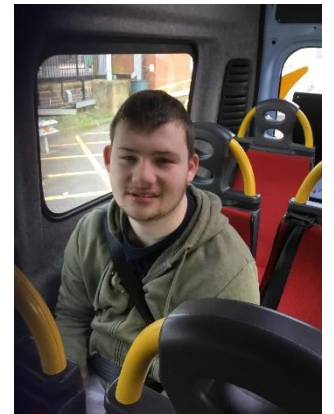

Cameron and Oliver have worked hard with honing their independent skills. They have been cleaning after themselves when cooking and this has involved wiping tables, washing up and mopping any spillages up.

We've been fortunate to attend two theatrical productions this term too! One at the Watermill Theatre and a Pantomime at the Corn Exchange! Helped get us in the festive mood just before the big day arrives!

Have a wonderful Christmas break with your families.
