Class Name: Oxford Term: Autumn 2 Topic: Go Green!

What we have been learning this term:

This term we have been working on the topic of Go Green! Towards the end of term, we moved on to Christmas and all things festive, to include our 'Christmas Around the World' KS4 Production!

English: We looked at the book "Wild Child" we looked at the world around us and our environment. We looked at British birds and wrote fact files.

Maths: We started the term with multiplication and refreshing our knowledge of times tables and how to complete multiplication problems up to two digits. We then moved on to division and looked at different ways to complete a division problem up to two digits.

Vocational Studies: We finished out work on Animal care and Horticulture with a trip to Sparsholt college. We planted up herbs and flowers in the green house then work for a tour of the animal care department and

ICT: For ICT we learnt about programming on Turtle Academy. We looked at different code to make shapes and letters. To finish off the work we created a wrapping paper pattern for Christmas.

PSHE: We started the term looking at bonfire safety and then moved on to some lessons about dental hygiene and self-care.

Cooking/Life Skills: We have enjoyed cooking at post 16 and love lane this term. With our favourite recipes being chilli and gingerbread!

Our Highlights of this Term

Bobbi – I liked doing the Berkshire Games

Harvey – Going to the sports games and rainforest.

Alex K – Learning about big birds and doing Hama bead in crafts.

Jas – Learning about Red Kites in English.

Skylar – I enjoyed cooking at post 16, visiting Sparsholt and the Christmas play.

Ethan G – Going to the rainforest and seeing the cute monkey.

Joe – Dressing up as Mrs Claus for Christmas!

Dante – I like school in general.

Ethan C – I enjoy school trips and the school play

Alex G – I liked the living rainforest.

Some photos of us!
