

Classroom News

Class Name: Winchester

Term: Term 2 2023-2024

What we have been doing this term:

It's been a very busy term in Winchester Class!

In English, we have continued to work with the "Forensic Scientist" and "Detective Inspector" to explore how an author uses action and atmosphere to build suspense.

In maths, some of us have been learning about sequences and the n^{th} term rule, while others have been looking at strategies for the four operations.

This term saw our first science practical! The students were outstanding at understanding the safety rules. They applied their knowledge from our classroom learning to test whether different solutions were acidic or alkaline.

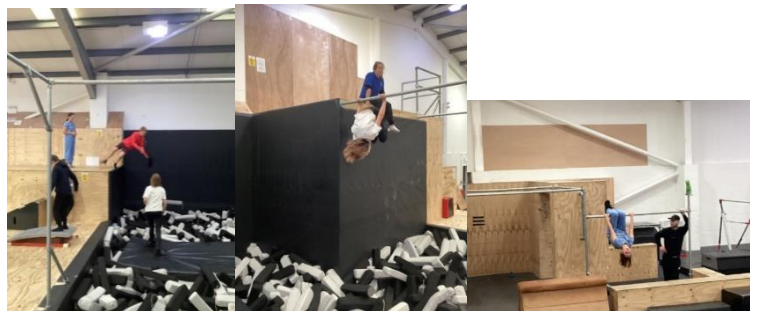

In PSHE, we have explored stereotypes, prejudice and discrimination. As always, the students were very honest and open in these discussions, acknowledging and considering others' thoughts and feelings in different scenarios.

This term in food tech we have made soup, mini carrot cakes, apple & sultana crumble and cheese & onion triangles. The students enjoy evaluating each of their creations, considering what could be improved if they were to make them again.

It has been wonderful to watch everyone in gymnastics & parkour. Winchester students have thoroughly enjoyed jumping, flipping and flying into the foam pit.

Thank you, Winchester Class, for another awesome term. We wish you all a very Merry Christmas and a Happy New Year.
Alicia, Lauren B, Suzy, Jess and Joe

Some photos of us!

Dates & Points to remember:

Last day of term: Wednesday 20th December

First day back: Tuesday 9th January

Next term, students will need their PE kits on a Monday and Friday.
