

Classroom News

Class Name: Dover

Term : Autumn 2 2023

Topic: Space

What's been going on?

We can't believe it's almost Christmas! Dover Class are really looking forward to a restful break after what has been a very busy term. The class have been working extremely hard and have made great progress both socially, and academically.

English

During our English lessons, we have completed space themed comprehension activities. We have also been learning about the features of information texts and creating information posters about the planets. It has been lovely finding out what they know about our Solar System!

Maths

In maths, we have been looking at both analogue and digital time. We have also been learning about 2D shapes and their properties. Their knowledge of common shapes around the school is fantastic.

Gritter Visit

In November, students enjoyed a special visit from Volker Highways. Five lucky students from Dover Class won the competition to name a gritter. During their visit the gritter names were unveiled. Students also had a workshop on road safety and the opportunity to sit in one of the newly named gritter trucks.

"My favourite bit was honking the horn", said Charlie and Riley.

"My favourite part was clicking the indicators", said Oliver.

"I enjoyed learning all about road safety and crossing the road", said Ashrith.

"I liked looking inside of the gritter lorry and learning how the plough works", said Dylan.

"I was surprised to learn that I had won the competition", said Tyler.

"I liked Kerby (the cone mascot) because she was funny and looked like she was from The Masked Singer!" said Oliver.

Seasonal stuff!

Dover Class have been busy preparing for the Secondary 1 Christmas performance. The class performed 'A Christmas Carol'. We hope you enjoyed watching them! Have a wonderful Christmas break and a very Happy New Year!

The Dover Team ☺
