

# Classroom News

Class Name: Danby

Term: Term 2 2023-2024

Topic: To Infinity and Beyond!

## What we have been doing this term:

## Some photos of us!

What an amazing term Danby Class have had – we have had so much fun!

We have enjoyed many school trips this term including, the cinema, pantomime, Winchester Science Museum and many trips to our local parks. It has been wonderful going off site and having the opportunity to gain new experiences. I can't wait to do more in the coming terms!

In maths, Danby have been learning about 2D and 3D shapes. Pupils worked on recognising a whole range of shapes, describing their properties and recreating shapes using playdough!

Danby's knowledge of shapes came in handy when we started to build our very own spaceships in problem solving and thinking! Each pupil designed their rocket and used plastic bottles, paint and card to assemble and build them. They looked awesome!

We have been practicing our ball skills in P.E. and have enjoyed playing a number of ball related games to help improve our ball control. Danby students play wonderfully as a team and are showing great sportsmanship.

As you know, we also had our Christmas performance this term. The children had so much fun rehearsing for the play and I know they did a phenomenal job on the day – thank you to all that came to watch!

I hope you and your families all have a very Merry Christmas and a wonderful New Year! Have a lovely rest and we look forward to welcoming everyone back in January ☺

## Dates & Points to remember:

**Last day of term:** Wednesday 20<sup>th</sup> December 2023

**First day back:** Tuesday 9<sup>th</sup> January 2024

**Jack and the Beanstalk:** Tuesday 30<sup>th</sup> January 2024
