Class Name: Pembroke Term: Term 2 2023-2024 Topic: Dinosaurs & Celebrations

What we have been doing this term:

Our topic this term has been Dinosaurs and Celebrations.

We have been comparing the sizes of dinosaurs, finding out whether they eat meat or plants and learning some of their names. We've had a great time using our toy dinosaurs to mark make in dough to make footprints and by dipping them in paint to make footsteps across our paper. We also used our Dinosaurs to talk about positional language - whether the dinosaur is on the hill, or under the tree or next to the volcano.

Pembroke have been loving cooking this term too! We've made cake and practiced our spreading skills on our toast each week. This term we have also been learning about celebrations including Diwali, Remembrance Day, Bonfire Night and Christmas.

We have been using our creativity and mark making skills to make Christmas cards and calendars. We have also made some Christmas decorations - we hope you like them all.

We wish you all a Merry Christmas, and Happy New Year.

Some photos of us!

Dates to remember:

Wednesday 20th December - Last day of term

Monday 8th January 2024 – INSET day (no children)

Tuesday 9th January - First day back

Friday 9th February – Last day term 3

10th - 18th February - Half Term
