Class Name: Wallingford

Term: Term 2 2023-2024

Topic: To Infinity and Beyond

## What we have been doing this term:

It feels like Wallingford have spent more time practicing their skills when out in the community this term than they have spent at Post-16! As well as our usual weekly shopping trip for ingredients and resources, secret Santa gifts and enterprise project resources, we have been lucky enough to enjoy 3 cinema visits, 2 theatre trips and a farm visit. Your children have excelled themselves in the way they have behaved and demonstrated their sociable skills.

We have talked a lot about friendships, kindness, worries, and adults we can trust to help us this term – further building relationships within the Wallingford class team.

We said good bye for now to Sandra who joined a primary 2 team to share her expertise with them, and we said hello to Maveric who is new to Castle school, bring a wealth of experience with him. He has settled right in and is a hit with everyone!

The Castle School ran a very successful enterprise project selling homemade Christmas gifts at Newbury market. Wallingford made a wonderful Christmas Scented Potpourri, they were excellent at drumming up business and we sold out of products by early afternoon. Well done gang!

Have a wonderful Christmas break with your families.

*Emma, Michaela, Jessie, Laura & Maveric*
