

# Classroom News

Class Name: Plympton

Term: Term 3 2023-2024

## What we have been doing this term:

## Some photos of us!

A short but very busy term in Plympton!

Oliver started a new Work Experience placement this term and we are so proud of how well he has settled into a new environment interacting with different people.

We have done lots of working together and helping each other when shopping for cooking ingredients. Oliver and Alfie have worked out where various items of food are located in shops and have written their own individual shopping lists too!

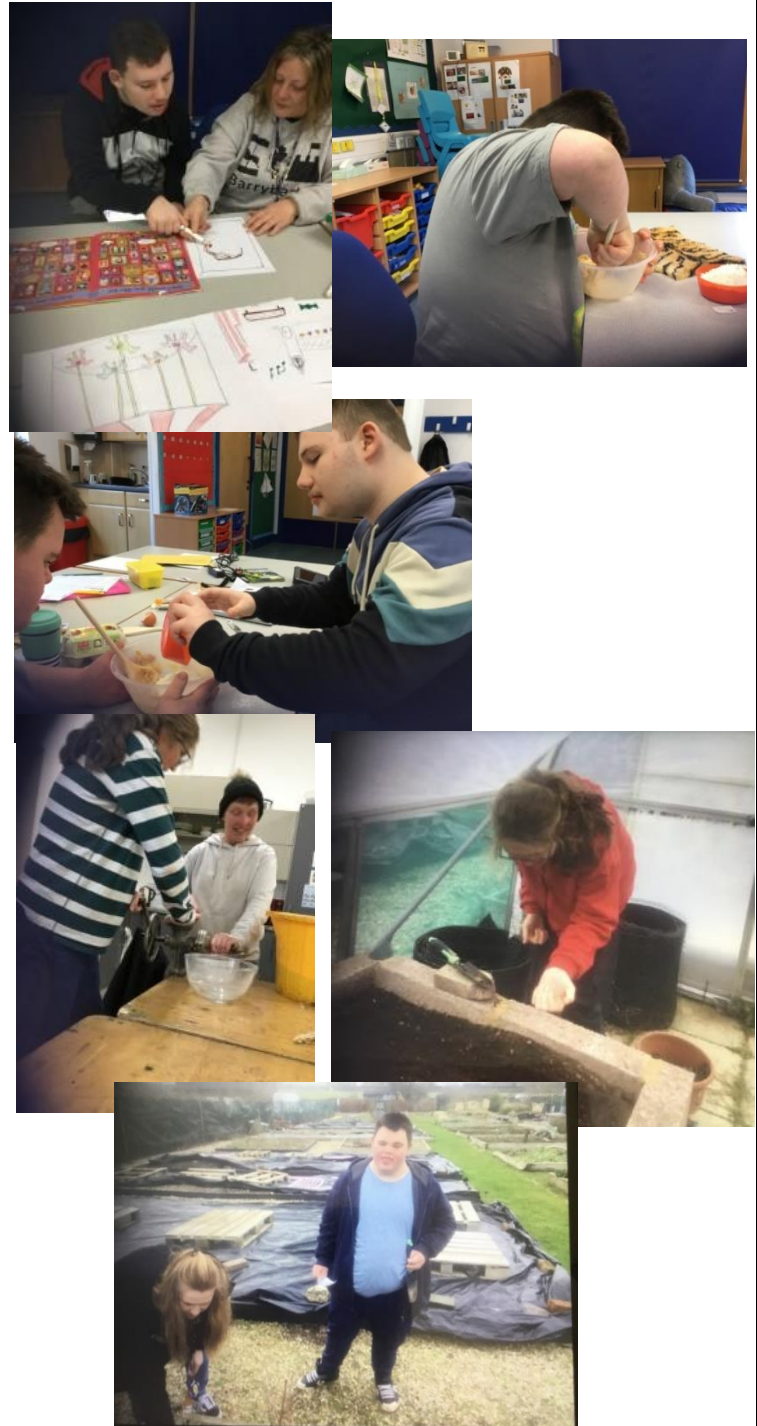

We have continued to access the community via visiting several train stations. Cameron has worked hard at observing the trains passing by and has counted the different carriages on passenger/freight trains.

Oliver has continued to develop his communication skills and has asked for support from staff in shops with minimal prompting.

Cameron has continued to explore communication through drawing/art and has helped create small stories – usually based around trains and food.

Alfie has started to attend Outdoor @Oaklands on a Tuesday and has enjoyed the walks in the woods and even made his own butter and bread rolls!

Have a wonderful half term break!

## Dates & Points to remember:

Last day of term: Friday 9<sup>th</sup> February 2024

First day back: Monday 19<sup>th</sup> February 2024
