

Classroom News

Class Name: Cardiff Term : Spring 1 2024

What we have been learning:

This term our topic has been 'Colours'. Our story for this term has been 'Dr Seuss's My Many Coloured Days'. Through the story, we have explored different colours, corresponding objects and emotions linked to that colour.

We have been exploring colour through our art sessions with Renee too and through Attention Bucket sessions. We have made butterfly prints by putting paint on one side of a piece of paper, folding it over and squashing it. We think our butterflies were all very beautiful.

This term we have been very fortunate to have Make Sense Theatre visiting us. They visit us once a week, every week. They create a sensory theatre experience involving an immersive tent, lights, sound, props and lots of singing. The story is all about visiting the rainforest of 'Discovia' where there is lots of music and a disco. We were a bit apprehensive during the first session but each week we have become more and more confident and we now really enjoy the songs, instruments and sensory props and look forward to our weekly visit.

Dates to remember-
Half term – Monday 12th to Friday 16th
February
Spring 2 term starts Monday 19th February
