Class Name: Pembroke Term : Spring 1 2024

What we have been learning:

This term we have been learning about Colours. Our class story has been 'The Colour Monster'. The story is about a monster who is feeling a bit muddled, so he explores the different feelings he has and these are linked to a specific colour. Pembroke have done a great job at identifying different emotions this term and talking about things that might make us feel that way.

We have been exploring what happens if we mix 2 different colours together and had a guess at what colour it might make! In Maths we have been working hard to sort objects according to their colour and then moved onto copying and continuing repeating patterns.

In phonics we have been listening to the initial sounds in words and thinking about whether they begin with s, a, t.

This term we have been so lucky to have the amazing Make Sense Theatre into school. This includes a story about an explorer in the jungle alongside lots of singing, dancing, playing instruments and exploring sensory props in a beautiful 'jungle' themed tent.

Dates to remember-
Half term – Monday 12th to Friday 16th
February
Spring 2 term starts Monday 19th February
