

Classroom News

Class Name: Dunnottar

Term: Term 3 2023-2024

What we have been learning this term:

It's been a short but busy term!

We have been learning our ICT/ Computing with Will. We've been logging into the laptops and learning about peripherals. Peripherals are things around a computer like a mouse, a speaker and a printer. We learnt how to make folders. We made a Word Document with some pictures of things we like and saved it into our folder. **By Charlie.**

This term in World of Work we have been learning about all the skills needed in the work place. Skills include leadership, teamwork and problem solving. We learn that these are really important in work. On Friday Franklin starts work experience at Welford Park and Amy continues at Little Quavers. **By Franklin and Amy.**

In English we have been practising our speaking and listening skills. We have been looking at different adverts and comparing them to each other. We noticed that lots of adverts used bright colours to appeal to children. Our favourite advert was the Ribena advert as it was funny. **By Harry and William.**

In Maths we have been learning about measure. We have been working on capacity, weight, length and height. In one of our lessons we weighed out sugar to find out how much is in a bowl of cereal. **By Layna and Emily.**

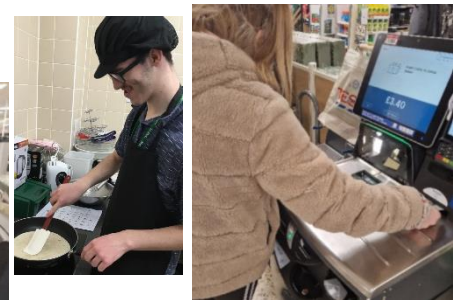

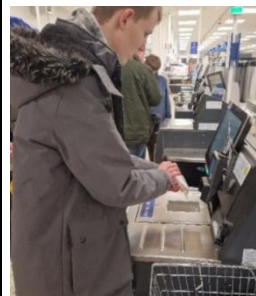

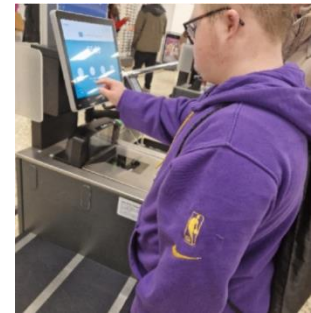

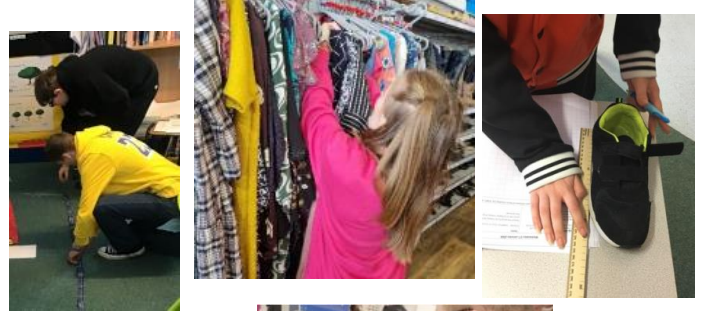

In PSHE we have learnt about fake news and AI. Fake news is things we see online that are not real. AI is artificial intelligence. AI is something that acts like a human but isn't real. **By Harvey and Connor.**

In cooking we've made pitta pizza, pesto pasta and mac and cheese. In cooking we've been following a recipe with teamwork and without staff help. **By James and Lucy.**

The Year 12 and 13s have finished their Duke of Edinburgh volunteering. After half term we will start planning and preparing for our expedition! (More information will follow soon!).

Have a lovely half term. Team Dunnottar ☺

Some photos of us!

Dates & Points to remember:

Friday 9th February – Last day of Term 3
Monday 19th February – First day of Term 4
Thursday 28th March – Last day of Term 4
