

# Classroom News

Class Name: Plympton

Term: Term 4 2023-2024

## What we have been doing this term:

This term we have been working on Kindness and Friendships, we have discovered a great drinks host within us. Oliver knows how everyone likes their drinks and what their choice of drink is.

We have been very busy in class and at Growing2Gether planting our seeds ready for bumper crops in the summer!!!

We have had some great successes in our cooking sessions this term, from fantastic sausage rolls with a twist, to our own lunch of sausage & mash, alongside cooking we have been looking at healthy foods and snacks and making good choices.

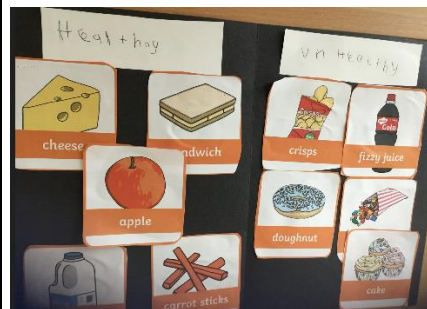

Cameron has been working hard on his communication, putting short sentences together on his talk pad.

We have a weekly straw challenge in class between us and everyone is very competitive, new ideas for foods that can be consumed are welcomed.

We look forward to more successes in the Summer term!! We hope you have a lovely Easter break
