

Classroom News

Class Name: Winchester

Term: Term 4 2023-2024

What we have been doing this term:

We've had a wonderful term in Winchester Class!

We've very much enjoyed our return to Smelly Wellies. It has been wonderful to watch the students get stuck in with the animal care. The progression in engagement from last year to this year is incredible!

In English, we have continued to explore and analyse non-fiction texts, looking closely at how language and structure is used to communicate opinion and to persuade the reader.

In maths, we have continued learning about fractions and how to use them as operators. Some of us have also worked on place value practice and different methods for addition and subtraction.

In science, we have been learning about magnetism: repulsion, attraction, North and South poles, and electromagnets.

In PSHE and RSE, we have been learning about healthy relationships and online safety. We have had some great discussions about rules and law, risk and consent.

We wish you all a lovely Easter break.
Alicia, Lauren P, Jess and Lorna 😊

Some photos of us!

Dates & Points to remember:

Last day of term: Thursday 28th March
First day back: Monday 15th April
