Class Name: Pendennis

Term 4 2023-2024

Topic: Through the keyhole

What we have been doing this term:

Some photos of us!

Pendennis had a busy half term! This term our topic has been 'Through the Keyhole'. We have been focusing on our local area, and building independence to access our community.

In literacy, we have been working on reading shopping lists, and finding the correct items, ticking them off as we go. We have also made our own books, based off the choices we made from the story 'You Choose'.

In maths, we have been learning all about money. We've had role play shopping experiences to practice. We also went to McDonald's where we were in charge of ordering and paying for our own meal.

Pendennis have been using Google Earth to explore our local area, and talk about what we can see/where we have been/ our favourite shops, etc.

In PE this term, we have been focusing on skills in preparation for Sort's Day. This has included: javelin, hurdles, football goals, control with a hockey stick, weaving, and much more!

Have a lovely West break.

Dates & Points to remember:

Last day of term: Thurs 28th March

First day back: Monday 15th April
