

Classroom News

Class Name: Blaise

Term: Term 4 2023-2024

Topic: Weather

What we have been doing this term:

This term we have been reading the poem 'The Weather' and, by adding a new verse each week, we have explored the varying sensory aspects of the ever-changing UK weather.

To enhance our learning we have also channelled our inner Jackson Pollock and made some wonderful textured canvas paintings to represent the weather types of rain, storm and sunshine by experimenting with different techniques. These have included flicking, printing, rolling, blowing, spraying, splatting and scrunching to create some abstract expressionist pieces which will hang on our wall to be touched and explored by all.

Alongside this we have celebrated World Book Day with various library visits, Easter with some sweetie related sensory activities and chocolate melting to make eggs for our families and Mother's Day. For this we made some butterfly cards using sponges and selected our favourite poem to be printed inside. We also chose our mother's favourite colours and, while grasping with one hand, used switches to direct the adults in coating pinecones which we used to make an everlasting bouquet of flowers.

We have also been working hard on our therapy targets by standing and walking where possible, sitting independently, communicating and using our gross and fine motor skills to assist us in our lessons.

This term was also very special as we were able to meet our new friend Khushal who has been enjoying the various exciting sessions and new faces of Blaise class. Welcome Khushal, we hope you enjoy your new school.

Some photos of us!

Dates & Points to remember:

Last day of term: Thursday 28th March

First day back: Monday 15th April
