Class Name: Carisbrooke Term: Term 4 2023-2024

Topic: Through the Keyhole

## What we have been learning this term:

Our topic 'Through the Keyhole' has continued this term. Here is a snippet of what we have been up to.

**English:** Our story 'Coming to England' followed the story of Floella Benjamin who was part of the Windrush Generation, she came to England in the 1950's. We became Floella, writing in the first person, sharing her experiences.

**Maths:** We finished our 3d Shapes topic by making our own shapes using art straws and reconstructing different boxes. We then moved on to our 2, 5 and 10's tables and met 'Odd Todd' and 'Even Steven' too.

**Problem Solving and Thinking:** Living in the Wider World was our theme where we described how family life in different countries can be the same as and different from our own;

**Life Lessons:** We are all awesome, unique and special and our differences should be celebrated. We enjoyed finding out about each other and recognising our similarities and differences

**The World I Live In:** We have been investigating the different weather of the four seasons and how we as humans can be affected,

**Art:** Who knew that paper could be so interesting and versatile? We have investigated using paper in different art forms to include collages, stained glass windows, beads and papier mâché

**Communication:** The weather can change dramatically and we have learnt how it compares in different countries throughout the seasons and even on the same day in March.

### Our Star Moments!

Time now to share some golden moments this term from Carisbrooke:

**Luke:** Watching you blossom at the Care Home, has been wonderful. You have shown such compassion, thank you!

**Katie:** Seeing you share all your afternoon exploits has been amazing. We are looking forward to the potatoes!

**Ollie:** Your enthusiasm for your learning has made us all so proud, especially with the way you are answering questions.

**Immy:** What an absolute pleasure it is to take you to the Care Home and see you communicate with the residents. You and Mary have a special bond!

**Selina:** Averil has shared how amazing you have been in PE this term and how despite some challenges have put 110% effort in.

**Johney:** Your IT skills never cease to amaze us. We look forward to your short videos, even if they sometimes include me!

**Tyler:** This term you have continued to grow in confidence, we are especially proud how you now show the answers in maths during our input on your whiteboard.

**Ryland:** Yet another Care Home star, it was so lovely to hear that you share your visits with your mum and dad.

**Harry:** Wow, Harry! What a term. You are contributing so well in class and it is wonderful to see you completing all your work!
